

CALL FOR SUBMISSIONS

If you are interested in leading a session, or have an idea for the **2019 National Tornado Summit and Disaster Symposium**, we'd love to hear from you.

The conference will be March 4-6 in Oklahoma City.

We are looking for educational sessions related to:

- All types of disasters
- Disaster response
- Disaster recovery
- Mitigation
- Claim handling
- Risk management
- New technologies
- Best practices
- Severe weather prediction/warnings

Sessions are 50-55 minutes long.

- There is a **maximum of two (2) speakers** for lecture-style presentations.
- There is a **maximum of three (3) panelists**, plus one moderator, for panels.

[Click here to submit your topic or suggestion](#)

The National Tornado Summit and Disaster Symposium is an educational event intended to help all parties better prepare for and respond to ALL types of dangers. It is not an appropriate forum for sales pitches.

We look forward to your submissions. The deadline is July 20th.

Questions? Call (405) 521-2339 or email Adrienne.Selvidge@oid.ok.gov.
