

# 2019

# NATIONAL TORNADO SUMMIT & DISASTER SYMPOSIUM

## PRE-CONFERENCE

### March 4

1:00 - 5:00 p.m.

### **AVOIDING THE PITFALLS OF PUBLIC STORM SHELTERS**

Public storm shelters have been a hot button issue for years. Weather and safety experts say it's best to stay put. Yet, in some communities, residents have the option of going to public shelters. During this extensive 4-part session, we'll explore both sides of the debate.

#### **PARTICIPANTS WILL LEARN:**

- Potential challenges with public sheltering and how to address them
- Crafting messages for different audiences
- Communicating operational information
- Rules and procedures
- Warning time advice

#### **WHO SHOULD ATTEND?**

- Anyone responsible for issuing tornado warnings
- Professionals responsible for protecting citizens
- Anyone who wants to be better prepared for storm season

### **CAN'T MISS SESSION FOR ADJUSTERS – XACTIMATE LEVEL 2 CERTIFICATION EXAM PREP**

Increase efficiency, productivity and accuracy with this top-level Xactimate training session. Verify the skills needed to obtain a Level 2 certification, an achievement that allows you to market yourself as among the best in the industry. Each attendee will receive a coupon code for \$15 off each User Certification Exam (up to \$45 value). This session is for adjusters preparing to challenge an Xactimate Level 2 User Certification Exam.

**INSTRUCTOR:** Sean M. Burgess, Xactimate Certified Trainer, Watermark

#### **ATTENDEES WILL LEARN HOW TO:**

- Save time creating estimates
- Create more accurate, detailed, professional estimates
- Utilize the latest technology to sketch complicated roofs
- Stay current with Xactimate pricing including NEW line items
- Automate and streamline the estimating process
- Organize your estimate and sketch

Both of these optional pre-conference workshops are offered exclusively to NTS attendees for only \$40\* with a paid NTS registration.

**Space is limited so register today.**

*\*Until December 7*
